EDUCATION

Menofia University (FCI),menouf, Egypt

2021 – 2024

B.S. Computers and Information Sciences

GPA: **3.70**

EXPERIENCE

Data Structures and Algorithms Summer Training |

acmASCIS

Aug 2023 - Sep 2023

Problem-Solving Training |

acmASCIS

N

ov 2022 - Jul 2023

Solved 500+ problems on different online judges (Codeforces). Trained in competitive programming contests. Participated in the Mid-Year Camp.

Topics: Binary Search, Recursion, Graph theory, Number theory, and Dynamic programming.

Trainee | ITI Company

Aug2022 -Sep 2022

Completed 150 hours Business Intelligence Track .

Topics DBMS,Microsoft SQK Server ,Data Mining , Xml&Tableau, Power BI ,Final Project.

Trainee | NTI Company

Sep2023 - Nov 2023

Completed 3 Months to AI/IOT Track .

Topics python, ML,NLP ,DEEP LEARNING,IMAGE PROCESSING, Kaggle Competition

,IOT using Cisco ccourse.

Trainee | ITI Company

Jul2023 - Aug 2023

Completed 120 hours to Machine Learning Track .

Topics python, ML,NLP, Kaggle Competition

Trainee | ITI Company

Jan2023 -Feb 2023

Completed 60 hours intro to web Track .

Topics Html,Css,Js,Final Project

AWARDS

**ECPC Qualifications Collegiate Programming Contest
2021-2023**

participant as a contestant in Ecpc 2021 , Ecpc 2022 and Ecpc 2023

**Come at 3rd place in GDCS Al Azhar and win an intern in Orange Digital center in
ML&AI Track 2022-2023**

SKILLS

Programming Languages: C++, Java, Python.

Technical: ML&AI, Competitive Programming and Problem Solving.

Languages: Arabic (native), English (excellent).

BOOKS

Finished books :-

Grokking algorithm,

c++ how to program,

core python

in progress

introduction to algorithm
